A responsible, reliable, and adaptable person looking to have a bright future in the events industry within the local area. Result-oriented, goal-driven in the help and need of other people and institutions. Willing to learn from others and adapt to situations.

Work Experience

LFE Theatre Technician - Landau Forte College Derby - August 2022 to Present

A casual job as a theatre technician. Responsibilities are programming a lighting show and operating sound. Involved in the setup and takedown of various events from dance school shows to pantomimes.

Volunteer Technician – Burton Amateur Stage Entertainers – February 2022 to Present

A once-a-year voluntary role where I am involved in the technical part of a theatre with a seating of 233. Involved with the Burton Amateur Stage Entertainers (BASE) Responsibilities include the microphones, sound and helping the show run smoothly. Past productions include Aladdin, Wizard of Oz, and Sleeping Beauty.

Lighting Tech Assistant – Bloodstock Festival – August 2022

A voluntary role where I operated lights at Bloodstock 3rd stage. Helping the main designer and operator for the stage as well.

Education

BSc Event Production – Nottingham Trent University – September 2022 to Present

Currently enrolled on a bachelor's degree course studying the live events industry. Predicted Grade Unknown.

BTEC Level 3 In Live & Technical Events – Confetti Nottingham – September 2021 to June 2023

An A-Level course where I scored D*D*D (Two distinction stars and one distinction)

GCSEs – West Park School Spondon – September 2016 to May 2021

Maths, English Literature & Language, Double Science, Geography, Religious Studies, I.T, BTEC Sport and Creative Media Production.
